

Shell Eco-marathon Europe 2014 Off-track Awards Winners

Off-track Award	Team name	School Name	Institution level	Country	Vehicle Class	Energy Category
Communications	H2politO - molecole da corsa	Politecnico Di Torino	University	Italy	Prototype	Hydrogen
Perseverance and Spirit of the Event	SCB-MADI	Madi	University	Russia	Prototype	Gasoline
Safety	Eco Motion Team by ESSTIN	ESSTIN Nancy	University	France	Prototype	Battery Electric
Shell Helix Tribology	Schluckspecht	University Of Applied Sciences Offenburg	University	Germany	Prototype	Battery Electric
Technical Innovation	GAMF	Kecskemet College	University	Hungary	Prototype	Gasoline
Vehicle Design	Kandó Electric	Kalman Kando Secondary Technical And Vocational School	High School	Hungary	Prototype	Battery Electric

Shell Eco-marathon Europe 2015 Off-track Awards Winners

Off-track Award	Team name	School Name	Institution level	Country	Vehicle Class	Energy Category
Communications	Green Team Twente	University Of Twente	University	Netherlands	Urban Concept	Hydrogen
Perseverance and Spirit of the Event	Toulouse Ingénierie Multidisciplinaire	INSA de Toulouse - Université Paul Sabatier Toulouse III	University	France	Urban Concept	Ethanol
Safety	AE2 PROJECT TEAM	Yildiz Technical University	University	Turkey	Prototype	Battery Electric
Technical Innovation	Vector Ecoteam	MINES ParisTech & Lycées Louis Armand	University	France	Prototype	Battery Electric
Vehicle Design	TUfast Eco Team	Technische Universitaet Muenchen	University	Germany	Prototype	Battery Electric

Shell Eco-marathon Europe 2016 Off-track Awards Winners

Off-track Award	Team name	School Name	Institution level	Country	Vehicle Class	Energy Category
Perseverance and Spirit of the Event	LSA KHADI AIS	Kharkiv National Automobile And Highway University	University	Ukraine	Prototype	Gasoline
Communications	Prometheus	National Technical University Of Athens	University	Greece	Prototype	Battery Electric
Safety	TUC ECO RACING	Technical University Of Crete	University	Greece	Urban Concept	Hydrogen
Vehicle Design Prototype	H2politO - molecole da corsa	Politecnico Di Torino	University	Italy	Prototype	Hydrogen
Vehicle Design Urban Concept	ØUC SHELL ECO	Østfold University College	University	Norway	Urban Concept	Ethanol
Technical Innovation	Prometheus	National Technical University Of Athens	University	Greece	Prototype	Battery Electric

Shell Eco-marathon Europe 2017 Off-track Awards Winners

Off-track Award	Team name	School Name	Institution level	Country	Vehicle Class	Energy Category
Communications (Shared)	Green Team Twente	University Of Twente	University	Netherlands	Urban Concept	Hydrogen
Communications (Shared)	H2politO - molecole da corsa	Politecnico Di Torino	University	Italy	Prototype	Hydrogen
Perseverance and Spirit of the Event	UGATU Racing Team	Ufa State Aviation Technical University (USATU)	University	Russia	Prototype	Ethanol
Safety	TUC ECO RACING	Technical University Of Crete	University	Greece	Urban Concept	Hydrogen
Technical Innovation	Microjoule-La Joliverie	Lycee Saint-Joseph La Joliverie	High School	France	Prototype	CNG
Vehicle Design Prototype	Poseidon	University of West Attica (UniWA)	University	Greece	Prototype	Battery Electric

Shell Eco-marathon Europe 2018 Off-track Awards Winners

Off-track Award	Team name	School Name	Institution level	Country	Vehicle Class	Energy Category
Communications (1st Place)	Green Team Twente	University Of Twente	University	Netherlands	Urban Concept	Hydrogen
Communications (2nd Place)	DNV GL Fuel Fighter	Norwegian University Of Science And Technology	University	Norway	Urban Concept	Battery Electric
Communications (3rd Place)	Prometheus	National Technical University Of Athens	University	Greece	Prototype	Battery Electric
Perseverance and Spirit of the Event	UGATU Racing Team	Ufa State Aviation Technical University (USATU)	University	Russia	Prototype	Gasoline
Safety	Prometheus	National Technical University Of Athens	University	Greece	Prototype	Battery Electric
Technical Innovation	National University of Ireland Galway	National University of Ireland, Galway	University	Ireland	Prototype	Battery Electric
Vehicle Design Prototype	Eco-Runner Team Delft	Delft University Of Technology	University	Netherlands	Prototype	Hydrogen
Vehicle Design Urban Concept	TUfast Eco Team	Technische Universitaet Muenchen	University	Germany	Urban Concept	Battery Electric
Most Innovative Hydrogen Newcomer	Lausitz Dynamics	BTU Cottbus- Senftenberg (Campus Senftenberg)	University	Germany	Urban Concept	Hydrogen
Travel Safety Stipend	UGATU Racing Team	Ufa State Aviation Technical University (USATU)	University	Russia	Prototype	Gasoline

Shell Eco-marathon Europe 2019 Off-track Awards Winners

Off-track Award	Team name	School Name	Institution level	Country	Vehicle Class	Energy Category
Circular Economy	AERO@UBI	Universidade Da Beira Interior	University	Portugal	Prototype	Battery Electric
Communications	Green Team Twente	University Of Twente	University	Netherlands	Urban Concept	Hydrogen
Most Innovative Hydrogen Newcomer	PrototAU	University of Aberdeen	University	United Kingdom	Prototype	Hydrogen
Safety	AE2 PROJECT TEAM	Yildiz Technical University	University	Turkey	Prototype	Battery Electric
Technical Innovation	TIM UPS INSA 2	INSA de Toulouse - Université Paul Sabatier Toulouse III	University	France	Prototype	Ethanol
Travel Safety Stipend (Shared)	ENSEM Eco Marathon	Ensem Vandoeuvre-Les-Nancy	University	France	Urban Concept	Hydrogen
Travel Safety Stipend (Shared)	Eco Motion Team by Polytech Nancy	Polytech Nancy	University	France	Prototype	Battery Electric
Vehicle Design Prototype	Eco-Runner Team Delft	Delft University Of Technology	University	Netherlands	Prototype	Hydrogen
Vehicle Design Urban Concept	DNV GL Fuel Fighter	Norwegian University Of Science And Technology	University	Norway	Urban Concept	Battery Electric
Perseverance and Spirit of the Event	TUfast Eco Team	Technische Universitaet Muenchen	University	Germany	Urban Concept	Battery Electric
